U. S. Department of Agriculture.

Part of Cole's fleet of trucks moving 7,000 pound trees to the recent development on the old Rockefeller Estate in Cleveland.

The COLE NURSERY CO.

700 Acres

700 Acres

PAINESVILLE, OHIO

ORNAMENTAL SHADE

(C) One year rooted cuttings.

(S) Seedlings.

(G) Grafts.

Each (T) indicates one transplanting.

WE grade our cuttings for root system as well as height and assure you a heavy, well rooted grade. Reserve your order NOW as we always sell short of some varieties at an early date.

Variety	Per 100	Per 1000
ACER

EVERGREENS

OUR potted evergreens are extra strong, practically all of them having been grown one year in Pots from large cuttings. They have made a splendid bushy top growth and are in fine shape to plant as early in the spring as you wish.

Variety	Per 100	Per 1000
JUNIPERUS		
<i>chinensis pfitzeriana</i> . 2 ¼ in. Pots. Strong. (TT)
